## RELEVANT INFORMATION

**SUBJECT:** Investment in other companies

**DATE:** September 20, 2021

Grupo Nutresa announces the incorporation of *C. I. Nutrading S. A. S.*, a company whose main corporate purpose will be the procurement, sale and export of products for their distribution and commercialization abroad.

This new company, which will be headquartered in Medellín, Colombia, will be fully owned by Grupo Nutresa, and its incorporation will require a start-up capital of COP 3,000,000,000.

*C. I. Nutrading S. A. S.* will develop an exports platform for the Colombian companies that intend to take the internationalization path for their products and brands. The company will also support the companies in the development of capabilities, and facilitate the access to new markets.

To fulfill this purpose, Grupo Nutresa will make available to its partner companies a competitive distribution network with a broad coverage in the countries of its strategic region, as well as all its internationalization experience and capabilities.

*C. I. Nutrading* will offer its clients a corporate strengthening process that will enable them to be competitively ready to enter Grupo Nutresa's own commercial networks abroad and make the most of them.
